## **2006 LEAF PATROL – 3 OPTIONS**

### **RAPID RESPONSE LEAF PICK UP:**

WHEN LEAVES ARE BAGGED AND THE ADDRESS IS CALLED IN TO THE STREET DEPT, WE WILL PICK UP THE BAGS THE NEXT BUSINESS DAY.

BAGS ARE TO BE PUT ON THE STREET SIDE ONLY AND AS CLOSE TO THE CURB AS YOU CAN. NOT IN THE STREET. USE EITHER THE COMPOSTABLE PAPER BAGS THAT ARE AT WAL-MART (\$2.48 FOR 5 BAGS) OR PLASTIC GARBAGE BAGS.

### **DROP OFF AT COMPOST PILE:**

Residents may take their own leaves to the compost pile at the Waste Water Treatment Plant north of TPA Park and the Skating Rink.

### **LEAF MACHINE PICK UP:**

Will start on Monday, October 23 and run through Friday, November 17. Residents do NOT need to call in. Crews will be picking up leaves by sections of the city. The day the crew is at your house will depend on the weather, how many leaves have fallen, and how many leaves have been raked, etc.

Brush jams the leaf machines, so keep each in separate piles. **PUT LEAVES AS CLOSE TO THE STREET AS YOU CAN. PLEASE DO NOT PUT LEAVES IN THE STREET. IF IT RAINS BEFORE THEY ARE PICKED UP, STREET DRAINS COULD BECOME CLOGGED AND FLOOD THE STREET.**
